Verification Instructions for Social Service Agencies

Social Services Login Page

To log in to the USIncomeVerify website, you will need the following:

- Organization's 10-digit Fax Number
- Username
- Password

Once you have logged in, you can begin the verification process. You will need the following pieces of information:

- Applicant's Social Security Number
- Applicant's Employer Code

Click "Process".

Entering a New Verification

Viewing Employment & Income Information

On the verification screen you will find information about the employee including their employer name and address and date of hire. You will also find income information for all years of employment with the current employer and the two most recent paystubs (if available).

At the top right, you may click "Printable Copy" to print a copy of the information.
